LEADER OF OPPOSITION, LOK SABHA

Press Statement :

10.02.2010

We are disturbed by the news reports about the arrest and detention of General Sarath Fonseka, the opposition candidate in the recent Presidential elections in Sri Lanka.

As world's largest democracy, we cannot approve of this particularly when it is happening so close to us. We call upon President Mahinda Rajapakshe to ensure the safety and well being of the opposition leader and request his release immediately.
