Dear Friend,

Subject :- Reg. organisation of International Yoga Day on 21st June, 2015.

In the wake of the speech and resolution by the Hon'ble Prime Minister Narendra Modi ji in U.N.O., 177 countries accorded international recognition to Yoga within a record period of 75 days and have supported celebration of International Yoga Day on 21st June.

A number of programmes are to be held in your state on the eve of International Yoga Day in which various government departments, our all Parivar organisations, various NGO's and yoga institutions are required to give their active contribution therein. It is expected of us that we are able to hold Yoga Day programmes in each gali-mohalla with the active support of the people. In this sequence, Hon'ble National President has asked all the states to practice yoga during the fixed time from 07.00 to 07.35 AM on that day and after that 'Pravachan/discussion may be held on the importance of 'Om' and yoga for 25 minutes.

A CD and a booklet of these programmes has already been made available to all the states. Programmes are to held in the sequence given in the CD.

All the state units are urged to hold the programme at mandal level. A large programme may be organised at district level. These programmes may be held under the Bharatiya Janata Party banner, flag, logo of Yoga Day, pamphlet (with Modiji photo), poster with 'Kamal' symbol.

The following are the tasks to be done :

1. Prepare copies of CD and booklet given to all the states and distribute the same to districts and mandals.
2. A public programme with huge gathering must be held at district centre. A meeting may be held to make full preparations for the same.
3. This programme may be held under the party's banner and dias.
4. In order to get register the programme in Guinness Book of World Records, please extend co-operation to their visiting team.
5. The central leaders will also undertake tours of the states to participate in this programme. Places may be identified where all senior karyakartas (Central Office-Bearers, Union Ministers, Chief Ministers, Ministers in State Govt., MPs, MLAs, State office bearers) are supposed to be present in the programme.
6. Our karyakartas must extend their co-operation in government programmes, school programmes in states where our party is in power. Besides, programmes may be held by establishing contacts with the schools with the cooperation of various institutes in states, where our party is not in power.

Thanking you,

Yours sincerely,

(Dr. Anil Jain)
